

RCS 20/30/40 WALKIE COUNTERBALANCED STACKER

Versatile, efficient, reliable. Whether you are working in trailers or racks, you can count on the RCS for all of your dock-to-stock needs. Easy-to-operate ergonomic controls and programmable speeds allow your operators to move more pallets per hour. Transistorized controls and large load wheels help you navigate dock plates with ease, providing a smoother ride with more efficient operation. Heavy duty construction and on-board diagnostics make the RCS easy to maintain and economical to own.
